As a not-for-profit organisation, SwanCare ensures that all profits go directly back into the care of its residents, and that care is accessible to those who need it.

The current fee structure for SwanCare's four residential aged care centres are as follows:

- All residents pay a **Daily Care Fee** which is 85% of the basic single pension, currently the rate is \$66.80/day.
- You will need to complete an SA485 or SA457 form to be lodged with Centrelink or Department of Veterans' Affairs which will determine your **Means Tested Care Fee**, if required, based on your assets & income. A hardship supplement will be available to care recipients who are unable to pay their resident fees.
- There are also **Accommodation** costs which differs in amount for each aged care centre. See below accordions for a breakdown of costs for accommodation.

How much will my accommodation cost?

The Government will pay an accommodation supplement for residents who are assessed as eligible. Eligibility is determined through a combined assets and income assessment. Depending on your financial circumstances, the Government may pay either all, part or none of your accommodation cost.

You can choose to pay your accommodation costs by:

1. Refundable accommodation deposit (paid as a lump sum)
For a Silver single room with ensuite without a courtyard/balcony, the maximum refundable accommodation deposit you will be charged is \$620,000.
2. Daily accommodation payment (paid fortnightly)
Alternatively, you can choose to pay a daily payment for your accommodation. For a Silver single room with ensuite without courtyard/balcony this would equal an accommodation charge of \$129.26 day.
3. Combination of refundable accommodation deposit and daily payment
You can also choose to pay a combination of the refundable accommodation deposit and the daily accommodation payment. For example, if you were to pay a 50:50 split for a Silver single room with an ensuite without courtyard/balcony, your deposit will be no more than \$310,000 and your daily payment will be \$64.63.
